2) Cost of Digitization

Format	Number of items you want to digitize	Cost to scan and create descriptive record
Photographs		\$3.75 per item
Film Negatives or Slides		\$4.00 per item
Glass Plate Negatives		\$6.25 per item
Handwritten Materials (letters, notes, etc.) Printed Documents (certificates, deeds, books, etc.)		\$3.00 per item plus \$0.45 per page (Example: a 6-page brochure would be \$5.70)
Scrapbooks		\$3.00 per item plus \$2.00 per page**

**Please note the cost for scrapbooks is due to the nature of the items, often times multiple scans are required to fully capture the contents of folded materials attached to a page.

- All materials for the Rescuing Texas History project must be 41" x 30" or smaller.
- **No photocopies of photographs or documents** can be accepted for this project.
- Ledgers that cannot be disbound will not qualify.

Appendix B: For archival collections (non-newspaper)

These costs cover:

- Creating a master quality image or digital file for preservation
- Providing you with master digital copies of all of your scanned materials
- Creating derivative versions for online viewing
- Creating a thorough metadata record to describe each item
- Running non-handwritten text materials, such as print documents and broadsides, through Optical Character Recognition (OCR) software to automatically extract the text in order to enable full-text search
- Digitally preserving the image or digital file in our dark archive

We are committed to preserving these digital images for the future, and we are participating in federal research on digital preservation.

Requirements for participation:

Submit the application along with an itemized inventory of materials by August 7, 2025.

Itemized Inventory: Photographs, Documents, and Other Items -- EXAMPLE

Instructions:

- This form includes an “Itemized List” (which details each item you are sending)
- *Why do we need this?* Having an itemized list makes checking your items into and out of the Digital Projects Lab more efficient and accurate because it gives us the same information in the same format from every institution. The itemized list also helps us track your items and communicate with you about discrepancies.
- If you have a standardized list or a spreadsheet of your items, you can substitute it for the “Itemized List” (contact us for more information about this)
- The Itemized List should include individual items (can be file-level inventory)
- Only use as many lines as you need (you can change the form in Microsoft Word or contact us for an edited one)

Itemized List:

Partner Name:

Box Number: 1
